

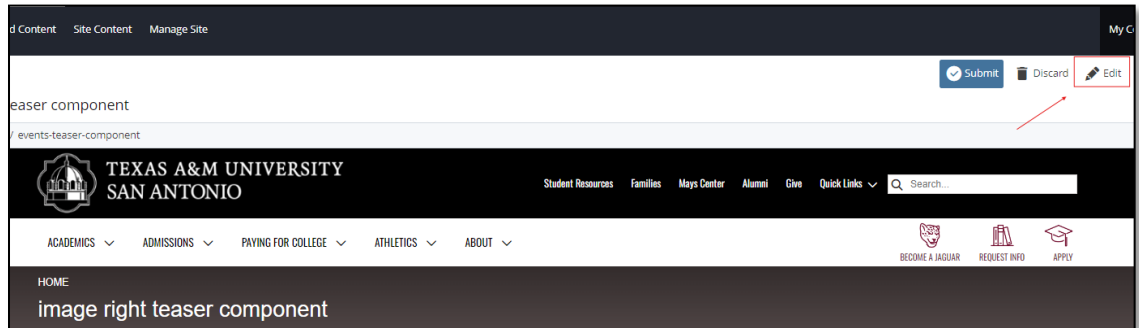

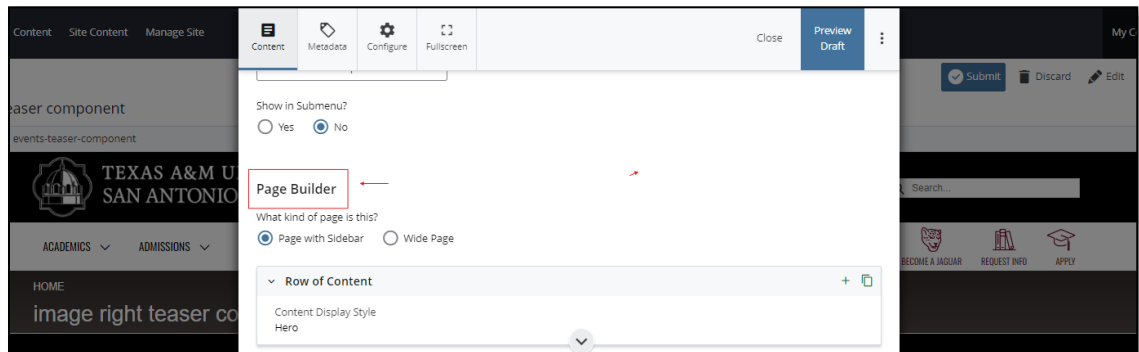

Image Right Teaser Component

This document will explain how to use the “Image Right Teaser Component”:

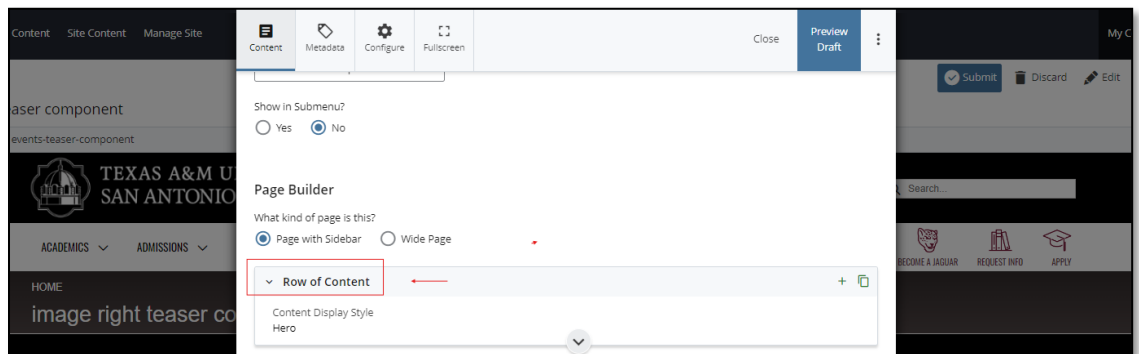

1. Click the ‘Edit’ button, top right of the screen.

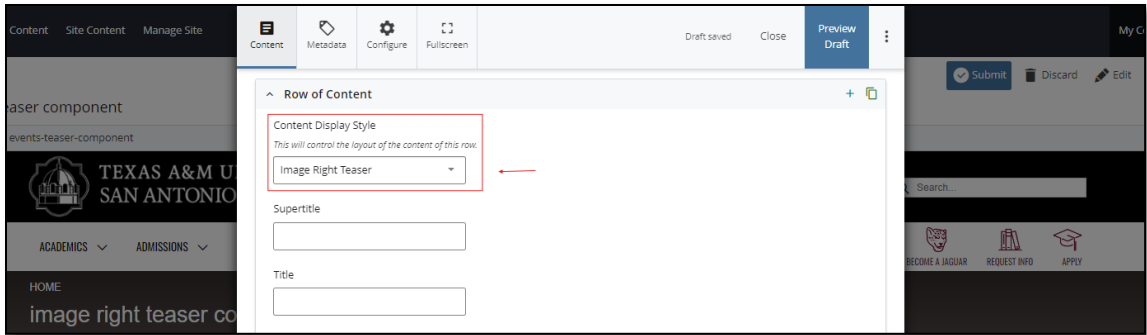

2. Navigate to “Page Builder” section, near the middle of the screen.

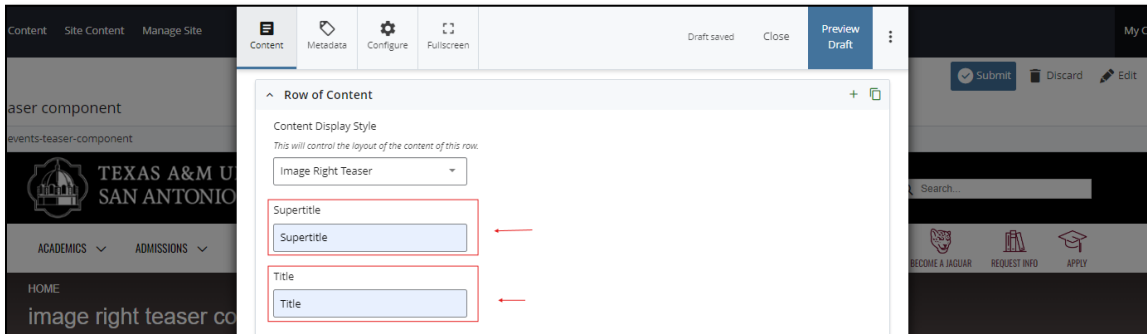

3. Open the “Row of Content” pane by clicking the carrot to the left of the Row of Content title.

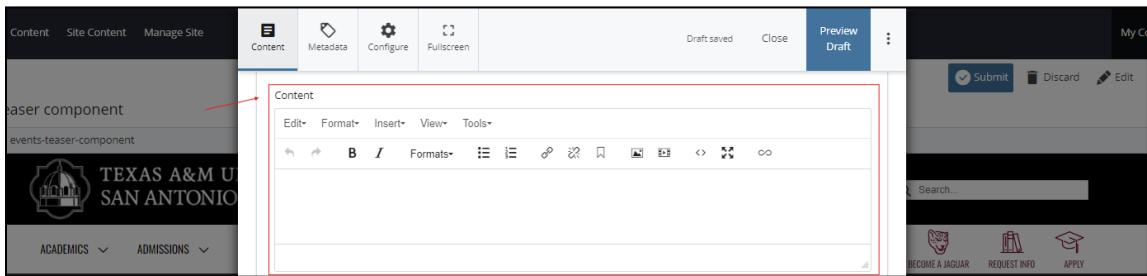

4. Open the **Content Display Style** dropdown and select the **Image Right Teaser** option.

5. Fill out the “**Supertitle**” or “**Title**” block.

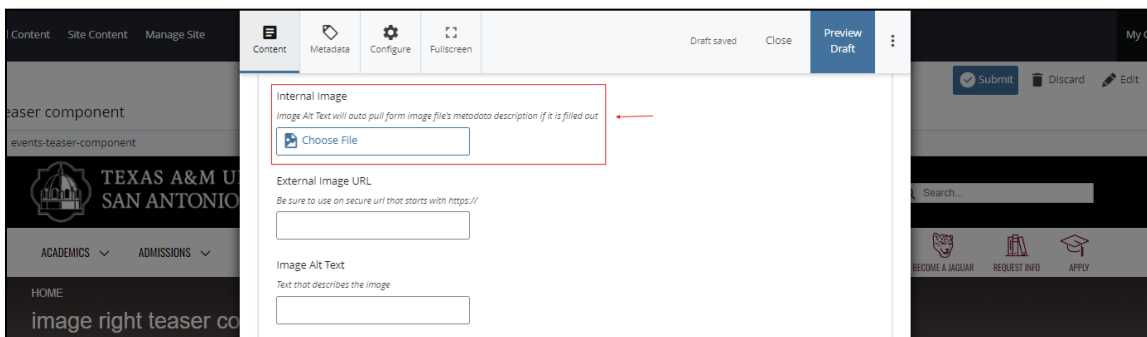

6. Complete the **Content** block.

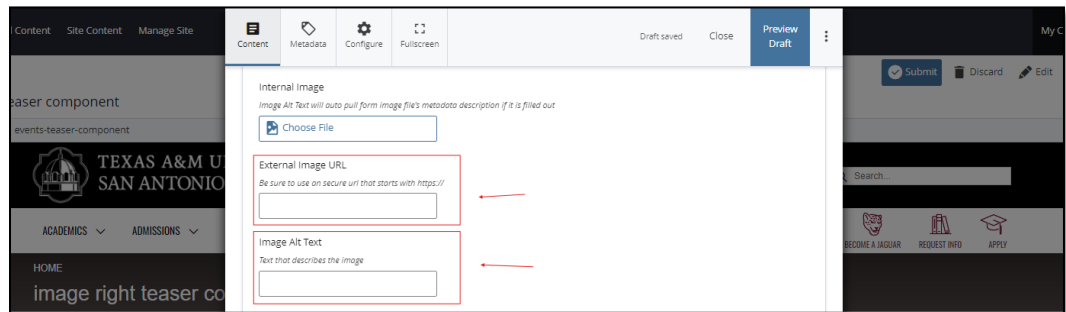

- a. *This block has a WYSIWYG to format and edit the content in the content block. WYSIWYGs will be explained in another video.*

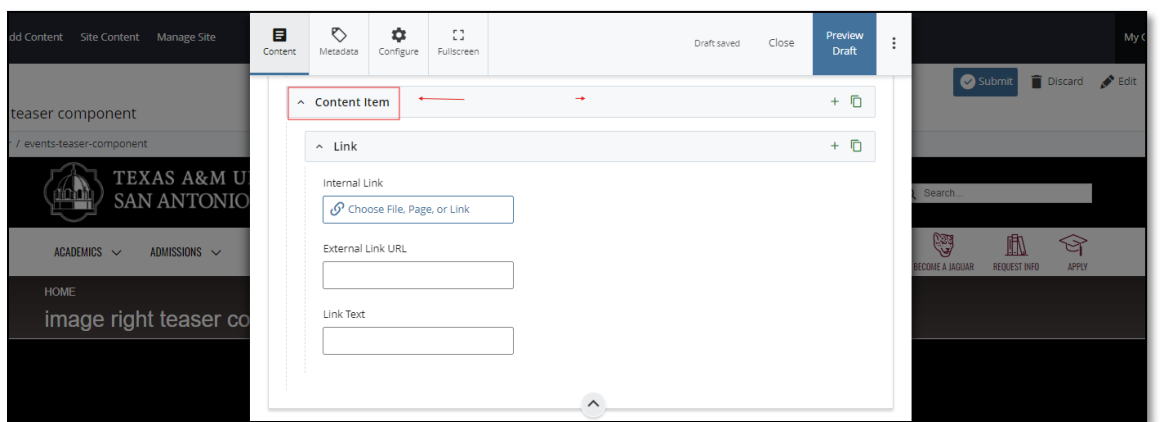

7. Adding an “**Internal Image**” is optional.

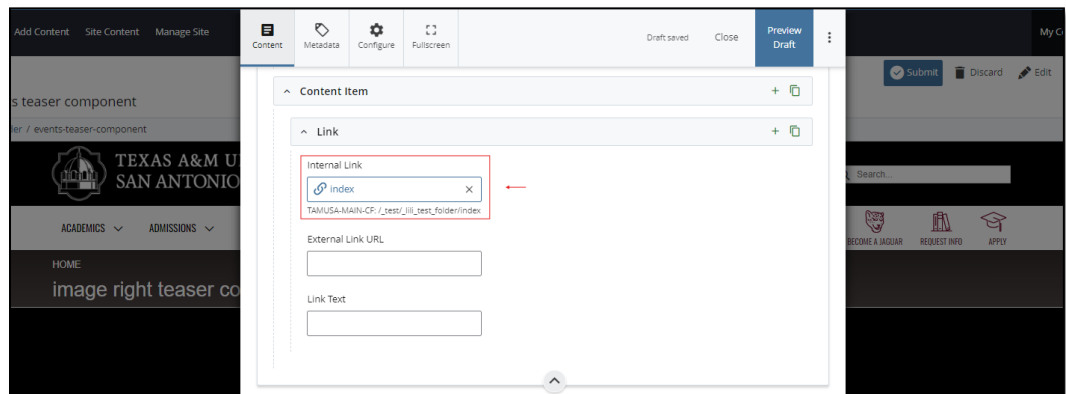

8. Adding an “**External Image URL**” is optional.
 - a. If an image is added, the “**Alt Text**” text box needs to be completed.

9. Expand the “**Content Item**” pane, by expanding the dropdown carrot to the left of the “**Content Item**” title.

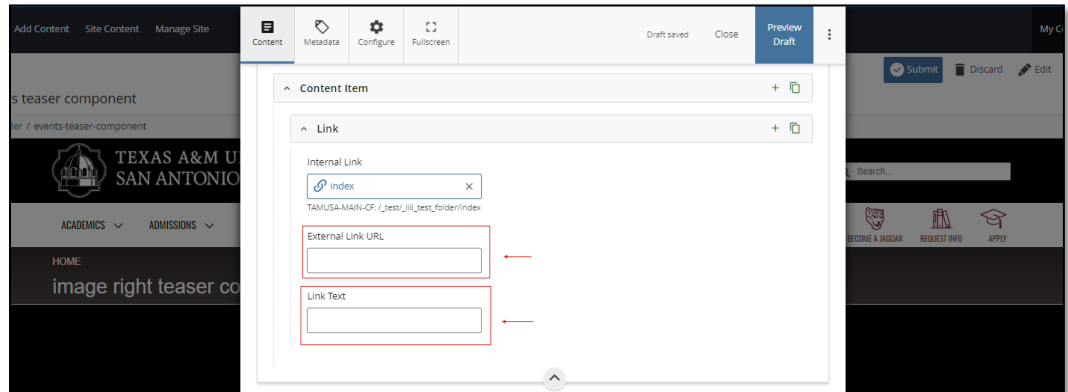

- a. If you chose the “**Internal Link**” option, you would need to select the internal link from the available options.

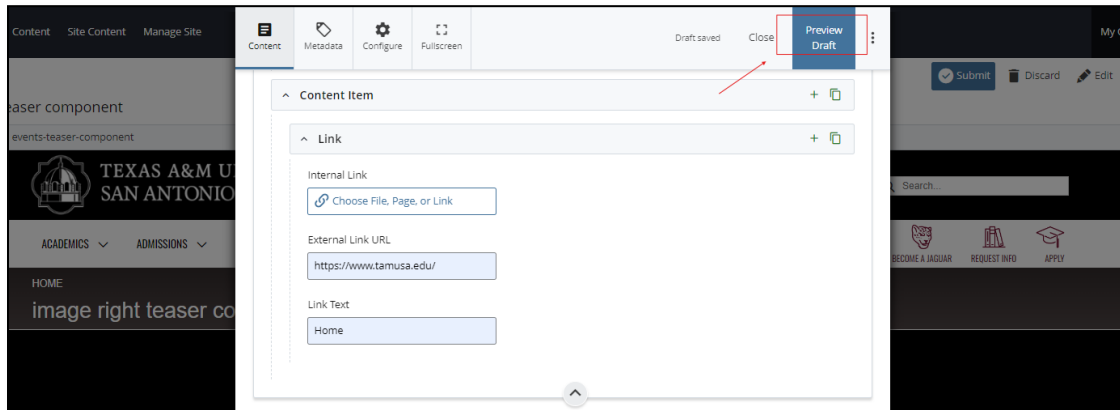

(Next Page)

- b. If you chose an “**External Link**” option, then you will need to supply the URL as well as the “**Link Text**”.

10. After making edits, click on the **Preview Draft** button.

11. If you like what you’ve created click on the **Submit** button otherwise click on the **Edit** button if you’d like to continue to make changes.
