LOGIC

A photograph showing five wooden blocks arranged in a horizontal line on a light-colored wooden surface. Each block has a single letter printed on its top face, which together read 'LOGIC'. The letters are in a bold, black, sans-serif font. The wooden blocks and the surface they rest on have a visible grain. In the background and foreground, several other wooden blocks are scattered, some showing different letters like 'L', 'V', and 'N', but they are out of focus.
