

2012-2013 Catalog Amendment

MANDATORY FEES

Note: All fees are payable at registration.

eBook Fee¹

Any student who enrolls in a course that requires a university e-book will be automatically charged an e-book course fee in their overall tuition and fees.

International Education Fee

This fee is charged at a flat rate of \$3 per semester. Funds are used to support cultural diversity within the student body and to enhance student knowledge of other countries through international study and scholarships.

Student Service Fee

A service fee of \$14.30 per credit hour is charged to all students attending the University. This fee is used to support student activities and support services including Student Government Association, student organizations, student newspaper, and New Student Orientation.

University Services Fee

This fee will be used to cover expenses for the following items: academic advising, library services, transcripts, student IDs, distance learning, campus safety and security, transportation, information technology; and other university services as required.
