RESEARCH COMPLIANCE

Research activities involving the use of live animals, biohazards, or human subjects must be reviewed and approved by the appropriate TAMU-SA regulatory research committee (i.e., IRB, IACUC, IBC) before the activity can commence. This requirement applies to activities conducted at TAMU-SA and to activities conducted at non-TAMU-SA facilities or institutions. In both cases, students are responsible for working with the relevant TAMU-SA research compliance program to ensure and document that all TAMU-SA compliance obligations are met before the study begins. Students are encouraged to reach out to the appropriate compliance office early.

For research involving the use of human subjects, please contact IRB@tamusa.edu. For research involving the use of biohazards, please contact IBC@tamusa.edu. For research involving the use of animals, please contact IACUC@tamusa.edu.
