**Technical/Vocational Credits  
(Must be taken at the community college)**

**En bloc credits must be taken in the field of Information Technology area.**

**Total SCHs**

**18-42**

**Note about core curriculum courses:** Other courses may satisfy core curriculum requirements. Courses listed under the core curriculum above are also specific degree requirements and are recommended in the core to expedite degree completion.

Must receive a grade of "C" or better in all MATH, CSCI, and CISA courses and their associated. A minimum average GPA of 2.25 must be maintained in all CISA & CSCI core and elective courses to remain in the program. Applies to transfer courses also.

Academic courses cannot be counted towards technical/vocational credits.

Technical/vocational credits from non-approved colleges require Dept. Chair and Dean approval. Academic or technical/vocational credits transferred as substitution courses must be completed within previous five years of admission to A&M-SA.

This is only a guide and does not constitute an official degree plan. To access the 2019-2020 A&M-SA catalog:
