

Illuminar

As we welcome the fall season, our students are embracing new beginnings with enthusiasm! This autumn promises growth, learning, and unforgettable memories. Recently, the TU CASA students and families had a wonderful time crafting vision boards and exploring social-emotional learning.

Here's to a productive and inspiring season for all!

What's in this month's issue:

- Start of the fall semester
- Internships
- Looking for local businesses
- Campus involvement
- TU CASA Hero spotlight

Fall semester in full swing

Our students recently had the opportunity to tour Toyotetsu, delving into the innovative processes behind auto parts manufacturing. They explored the design and production of press dies and resin molds, gaining valuable real-world insights into the industry. It was an enriching experience that brought the world of manufacturing to life!

Internships

We're excited to celebrate the start of our students' internships at various locations across the community. These internships represent an important step in their professional journeys, offering valuable opportunities for growth and hands-on experience. As our students embark on these new adventures, we're thrilled to see them gain insights, develop skills, and create lasting memories. Each internship is a chance to explore their passions and apply their knowledge in real-world settings. We look forward to celebrating their achievements and the rewarding experiences that lie ahead!

Local Businesses Wanted

Looking for local businesses who are interested in offering paid or unpaid internships to our students.

Campus Involvement

The campus career fair was a tremendous success! Our TU CASA students took full advantage of this fantastic opportunity, exploring exciting career possibilities, networking with professionals, and making important strides toward their future careers. Involvement Fairs like this provide invaluable chances to build connections and gain insights, and it's wonderful to see our students actively participating and engaging in their career development. We look forward to the continued growth and achievements that these experiences will bring!

TU CASA Hero Spotlight

The TU CASA students had the opportunity to attend two insightful presentations from the A&M-SA Mays Center for Experiential Learning & Community Engagement. Cheyenne Hayes provided valuable tips on dressing for success and making a strong professional impression, while Myles Lofland shared modern strategies for enhancing resumes and CVs. Together, these sessions offered crucial guidance on both professional appearance and profile development, aimed at elevating students' experiences at TAMUSA. A huge thank you to Cheyenne Hayes and Myles Lofland for their impactful contributions!
