

Application Fee Waiver Information

Students may qualify for an admissions application fee waiver. Please note that by checking off the *application fee waiver* indicator on the ApplyTexas application that **does not** automatically waive application fees.

You will be considered for a waiver if you submit appropriate documentation for one of the following waivers:

Undergraduate

ACT Waiver

SAT Waiver

Graduate

GRE Waiver

GMAT Waiver

If you believe you qualify for one of the above waivers, please submit a copy of that waiver form to the Office of Admissions in the Welcome Center. Other waivers may be considered, please contact admissions.office@tamusa.edu for questions about waivers not listed.

Failure to submit documentation of a waiver request will result in your application remaining incomplete. If you do not qualify for the waiver, your application will remain incomplete and will not be reviewed until your application fee is paid.

These items can be submitted to the Office of Admissions via fax, mail, or in person.
