### Program Overview

The Master of Science in Finance program (12-Month MSF) is to prepare students for executive and technical positions in Finance with the knowledge and skills required by business, government, and non-profit organizations. The MSF program requires a student to complete 35 semester credit hours which includes a Study Abroad International Business and Cultural Experience. The program is conducted as a cohort of students who take each course together throughout the year.

### Program Curriculum

Students are required to take 21 hours of required core courses, 9 hours of elective courses, a 3 hour international business & cultural experience, and 2 hours of professional development modules, for a total of 35 hours. For the elective courses, a student can take any of the courses not in the required core courses that they have taken, or an approved graduate course in finance and related areas.

### 12-Month MSF Admission Requirements

The 12-Month MSF applicants must submit (1) curriculum vitae or resume, (2) one-page essay on the student's aspirations and the reason the student wants to complete the MSF program, (3) one letter of recommendation, (4) transcripts from each degree awarding institution.

1. Applicants must have a Bachelor's degree from an accredited institution with a GPA equal to or greater than 2.6 overall or greater than 3.0 GPA in the last 60 hours. The Bachelor's degree must be in business, engineering, the sciences, or other quantitative disciplines.
