MESSAGE FROM DIRECTOR

Welcome to our 1st issue for the 24-25 school year! I'm thrilled to share with you all the exciting developments, achievements, and future plans for our program.

I'm looking forward to this year and the work the Advisers do and the impact they plan to make in their schools.

-Stephanie Gonzalez, M. Ed

READY TO FALL FOR COLLEGE

Our advisers have been preparing to support their students in the college application process through professional development and team bonding training.

This enables Advisers to provide valuable services to their students while fostering collaboration among their colleagues and school staff.

PREPPING FOR AUTUMN

The AdviseTX Advisers had an enriching training experience, visiting St. Mary's University and Palo Alto College, and shadowing our second-year adviser, Morgan, at Southside High School.

The team also enjoyed a fantastic bonding session at Andretti's, where they played games, raced cars, and went bowling! It was a great blend of professional development and team camaraderie.
