

## Who it benefits...

Enjoy a day of golf at one of San Antonio's premier courses for A&M-SA's annual golf tournament that exclusively supports student athlete scholarships.

Since inception, the Foundation has partnered with the University to raise more than \$12.9 million in philanthropic support.

During that time, the Foundation has awarded scholarships to thousands of students. You can help transform the lives of these student athletes today by playing and sponsoring the 2024 Golf Tournament.
