

Foreign Transcripts Information Sheet

All international transcripts (High School, Colleges, and University) must be evaluated by a foreign credential evaluation agency.

The transcript evaluation MUST reflect:

- Detailed course by course description **or** the student must provide official, translated course description.
- Credential evaluation should not be more than one year old from the time of your application.

The five agencies listed below are the most often used by students at A&M-San Antonio.

Once your transcripts are evaluated, the agency you choose must forward their evaluation report directly to the Office of International Affairs.
