

This guide is an easy instruction sheet to practice your interview skills on our new platform called Big Interview.

LOGGING INTO BIG INTERVIEW

1. Open a browser to tamusa.biginterview.com/login
2. Complete the registration using your A&M-SA student email as the contact email.
3. You will then receive a confirmation email at your TAMUSA email address. Click **VERIFY** in the email, and you will be able to start using Big Interview.
4. From there you will be directed to your Dashboard

YOUR DASHBOARD

Your Dashboard allows you to watch videos of "how to" do certain functions, practice your interviews, view assignments, and see previous interview videos.

PRACTICE & RECORD AN INTERVIEW

1. From your Dashboard, click on Practice, then Practice Interviews
2. You may select your preferred questions based on your needs (General, Industry, Admissions, etc.)
3. After selecting your option, you will then be asked to select your level of difficulty (Standard, Challenging, or Tough)
4. From here you will see an interviewer on the left part of your screen, and a screen of your camera to record on the right.
5. When ready, click **PLAY** for the question, then click **RECORD** when you are ready to answer and record.
6. When finished click **STOP RECORDING**
